I am honored to announce that the guest speaker for the District Convention on April 4th & 5th, 2025 will be PIP Brian Sheehan. Mark your calendars.

September is Childhood Cancer Month, and it is right around the corner and filled with exciting things. In the first few days of the month, I will be installing the Officers into the Winnebago Lions Club as well as inducting new members into the Capron Lions Club. Then, it is off to the USA/Canada Leadership Forum in Louisville, Kentucky Sept.5th-8th.

The Governor's outing is September 15th from 1-5 at 4 Seasons Lanes in Freeport. There will be raffles, a 50/50, food and lots of fun! If you haven't signed up yet, you can register that day and if you can, please let Shiloh know you will be attending, this will help with lane assignment and food count. Bring your whole family and I hope to see you all there.

Some of you will be attending ELLI & RLLI this month. First, thank you all for taking this learning opportunity and please, have fun and enjoy the experience. I would like to give a shout out to the Zone Chairs this year. They were tasked to switch up the Zone meetings to make them more fun and interactive and I have to say, they are doing a great job. Remember, Zone meetings are for ALL Lions within the Zone, they are a place to mix and mingle with other Lions in your Zone and share the things your clubs have been doing. I like to say, it is a good place to steal ideas. For example, Pearl City has a successful Queen of Hearts and several clubs have tapped into that...KUDOS to you! Stealing club ideas is the best compliment!

Club visits have begun. If there is a particular day/time you would like me to visit, please reach out. I will contact each club to add your club to my calendar. Also, please let me know of any special events your club is having, I would like to attend as many events as possible to show my support. I am looking forward to visiting your club and meeting everyone.

Remember these events! Wear it Wednesday and October is District Service Month.

Thank You,

District Governor Lonna Bentley

LONNA'S DISTRICT GOVERNOR PROJECT... CHILDHOOD CANCER

Childhood Cancer affects the whole family, and there are so many faces of the diagnosis. From resources, research, support and treatment, it takes a village.

Checks can be made out to District 1-D Lions and sent to CT Edy Pfeiffer

Some of the organizations under consideration are:

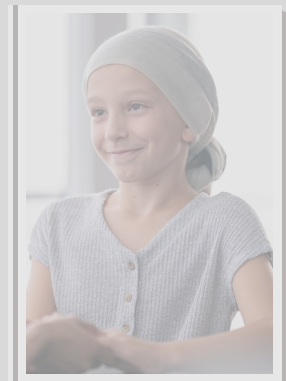

Research

Resources

Treatment

Support

YOU'RE NOT ALONE!

Childhood Cancer facts on back of this page

Childhood Cancer Facts

- More than 40,000 children undergo cancer treatment each year.
- The average age at diagnosis is 6 years old
- There are 16 major types of pediatric cancers and over 100 subtypes. The causes of most childhood cancers are unknown
- About 9,620 children in the United States under the age of 15 will be diagnosed with cancer in 2024.
- Childhood cancer research is vastly and consistently underfunded.
- Childhood cancer is the leading cause of death by disease in children under the age of 15 in the U.S.

Survival rates for children with cancer

- Cancer incidence rates in children overall have stabilized since 2015, after increasing since at least 1975.
 - Because of major treatment advances in recent decades, about 85% of children with cancer now live 5 years or more after being diagnosed with cancer.
- The cancer death rate has declined by more than half from 1970 to 2021 in both children and adolescents, largely due to improvements in treatment and high participation in clinical trials.

The cancer treatment team

Children with cancer and their families have special needs that can best be met at children's cancer centers. Treatment of childhood cancer in these centers is coordinated by a team of experts who know the differences between adult and childhood cancers, as well as the unique needs of children with cancer and their families. This team usually includes:

Pediatric oncologists: doctors who use medicines to treat children with cancer

Pediatric surgeons: doctors who perform surgery in children

Radiation oncologists: doctors who use radiation to treat cancer

Pediatric oncology nurses: nurses who specialize in caring for children with cancer

Nurse practitioners (NPs) and physician assistants (PAs): nurses and other health

The support system

- A family experiences many emotions following a diagnosis. Providing them with resources is the first step to building a strong support system.
- My DG Project will provide financial help to the organizations on the other side of this flyer
- Help us bring some hope to these children and their families.

Peace Poster Contest 2024-2025: Peace Without Limits

Attention all clubs, my goal this year is to get all of our clubs in 1-D to turn in a Peace Poster. Below is the site to go over the rules and to order your kits.

<https://www.lionsclubs.org/en/start-our-approach/youth/peace-poster#kit>

Contact your local school's art department, youth groups, ect. and find someone from your club who can go in and talk to students ages 11, 12 and 13 about our contest. Due date for the posters is November 15th, 2024. Either mail them to me in a poster tube or contact me for a pick up or drop off. From there I will take all posters to our District Governor to vote on the winner. The winner will be recognized at our upcoming District Convention.

If you have any questions contact me. Have fun and good luck to all our young artists.

District 1D Lions send their prayers and thoughts to the Jordan family at this time. LuAnn was a joy to be around. Her presence will be dearly missed.

LuAnn Kay Jordan, beloved wife, mother, grandmother, and friend, passed away on Wednesday, September 18, 2024, surrounded by love. Born on September 26, 1962, to Lewis and Carole (Knauer) Busjahn Jr. LuAnn touched the hearts of everyone who had the honor of knowing her.

On November 30, 1985, she married the love of her life, Mark Wilbur Jordan. Together, they built a life full of joy, adventure, and unwavering love, raising four wonderful children: Stephanie, Dustin, Ben, and Hilary.

LuAnn was a woman of many passions. She was a lover of dancing, music, and a particular fondness for singing. She reveled in traveling, exploring both local and international destinations with family and friends. Her adventurous spirit was complemented by her deep faith, which she shared readily with those around her.

Her life was deeply enriched by her connections with people. She treasured her time walking with her YMCA friends, spending time with her sisters, cherishing her grandchildren, and found joy in hosting gatherings, game nights, and movie nights with her Tuesday crew. A proud and active member of the Lena Lion's Club and a former Jaycee member, LuAnn was dedicated to her community. She selflessly served as a volunteer hospice nurse and worked for over 20 years as a Nurse Practitioner at FHN, where she developed lifelong relationships with her FHN family and wonderful patients

LuAnn was a natural leader, a creative soul, and an advocate for cancer awareness. Her influence touched many, from her local community to her "bonus" Swedish and French families, whom she loved dearly. She had a special talent for bringing beauty into the world and was a gifted storyteller, always ready to share a tale with enthusiasm and heart.

LuAnn is survived by her husband, Mark Jordan, and her children: Stephanie (Jeff) Kohl, Ben Jordan, and Hilary (Ethan) Fiene as well as her beloved grandchildren: Remy, Waylen, Lily, Declan, Chett, and Arlen and her mother, Carole Busjahn, 5 sisters: Laurene Busjahn, Deb (Jim) Willhite, Diane (Ron) Rimington, Margaret (Mike) Triem, and Mary (Kevin) Wise, as well as many nieces and nephews.

She is preceded in death by her father, Lewis Busjahn, and her son, Dustin Jordan, who welcome her with open arms.

LuAnn will be remembered as an exceptional caretaker, a devoted wife and mother, and a cherished friend to many. Her legacy of love, leadership, and creativity will live on in the hearts of all who knew her.

A visitation will take place from 2:00-5:00 pm on Sunday, September 22, 2024, at St. John's Lutheran Church in Lena, IL.

A Memorial Service will take place at 5:00 pm on Sunday, September 22, 2024 at St. John's Lutheran Church in Lena, IL.

A time of fellowship will take place immediately following the service.

Pastor Christopher Ham will be officiating the service.

A private family burial will take place at 10:00 am on Monday, September 23, 2024, at the Salem U.C.C. Cemetery in Eleroy, IL.

Cremation rites have been accorded.

A memorial has been established in her memory

AMBOY LIONS

The new Lion year has begun and the Amboy Lions are busy!

The Amboy Clipper Leo Club participated in the LIF Sneaker Recycling Project. The final donation, made in July, resulted in a total more than 350 pounds of shoes collected by the Amboy Leos. Sneakers were collected at Amboy Lions Club meetings and at the Junior High and High Schools. This project was well received and a great way to let the community know the Leos are service minded.

The Club held a dinner on Monday, July 22, to host the 2024 Amboy High School Lions Club Scholarship winners and their families, as well as, members, spouses and guests. Club members prepared beef tenderloin and fresh corn on the cob and all the fixin's for the dinner and desserts were brought by Club members and spouses.

Each scholarship winner present spoke about their plans for the future and expressed thanks to the Club for the scholarship funds. This is a very popular event held each year in place the regular second Club meeting of the month.

On August 24, the "Small Town, Big Heart" Depot Day Parade was hosted by the Club. New parade chair, Lion Barb Harrison, reported there were 57 entries, including the Paw Paw Lions Club and over 100 golf carts from local campgrounds! The parade marshal was George Kaleel, a longtime Amboy business man. A disc golf event was held at the new course, development spearheaded by the Amboy Lions Club, on Sunday, August 25.

The 2024 Amboy Lions Club Drawdown will be held at the Amboy Community Center on Saturday, September 7. This event is a major annual fundraiser for the Club.

Lion Membership Chair and Amboy Clipper Leo Club Liaison Jim Travi and Leo Club Vice President Micah Miller prepare to take the last load of sneakers up to DeKalb. The project was very successful, bringing in over 350 pounds of shoes.

Amboy Lions Club members Bruce Setchel, Curtis Harrison and Brad Goy were among the members preparing and serving the 2024 Scholarship winner, their families, Lions and their spouses and guests at the July 22 Scholarship Dinner.

The 2024 Amboy Lions Club Scholarship winners and parents were guests of the Amboy Lions Club for a special dinner on July 22. AMBOY LIONS (CONT.)

The Depot Day Parade, hosted each year by the Amboy Lions Club, was very well attended and featured Grand Marshal George Kaleel and his wife, Mona. The Kaleel family ran Kaleel's Clothing on Main Street for over 50 years. The theme of the 2024 parade was "Small Town, Big Heart".

Riding on the Amboy Lions Club float in the parade were Amboy Clipper Leo Club members Henry Nicholas, Grace Royer and Micah Miller.

The new 9-hole disc golf course, spearheaded by the Amboy Lions Club, is a big hit in the community and Rock River Disc Golf held a tournament there on August 25 as part of the Depot Days celebration. This course has been a great way to let the community know that the Amboy Lions are working hard to serve the community.

GALENA LIONS

GALENA LIONS CLUB TO HOST 17TH ANNUAL GALENA OKTOBERFEST

Polka music, wiener dog races, and lots of fun for everyone are featured at the 17th annual Galena Oktoberfest, happening on Saturday, October 5th, noon to 10 pm, at Depot Park in Galena, Illinois. This is the Galena Lions Club annual fundraiser, that provides thousands of dollars to the tri-state community to support organizations, individuals in need of eyeglasses and hearing aids, and scholarships for students pursuing sight & sound related occupations. This event also provides funding for Lions causes including disaster relief, Leader Dog, Center for Sight & Hearing, Eversight, Camp Lions, and more.

Galena Oktoberfest officially begins at noon with a ceremonial tapping of the keg. Patrons visit the check-in area for the wiener dog races and adult competitions of Beer Stein Endurance Contest and Cornhole Tournament held later in the day. A large tent provides plenty of seating, Food vendors will be serving various options and the Potosi Rolling Bar will be pouring root beer and various brews. Children are welcome to decorate pumpkins and play games in the activity area.

The wiener dog races are a big draw for lot of patrons, and the event offers bleacher seating to accommodate the crowd. Heats are run in four categories: Senior, Adult, Puppy, and Legend. Winners receive prizes for the races and the dog costume contest. Immediately following, the beautifully framed original poster art, this year featuring a wiener dog resting on a crescent moon, will be auctioned off. Live music begins with The Goodtime Dutchmen, followed by the Dave Austin Band. Both of these bands offer a variety of polka music and there's plenty of room on the dance floor. Polka dancing lessons are offered twice at the event. In the evening, a local blues/rock/funk band, Boogie Monster, will take the stage. Two talented alpenhorn players from New Glarus, Wisconsin, will play music sporadically throughout the day.

Admission to Galena Oktoberfest is \$10 for adults and teens, and free for children twelve and younger when accompanied by an adult. Parking is free on-site. The event welcomes patrons with walkers, wheelchairs, strollers, and all friendly dogs on leashes.

To learn more about Galena Oktoberfest, go online to GALENALIONS.ORG. Lions willing to volunteer for this event, please call 815-331-0180 and leave a message. Visit our Facebook page for updates on event schedules, and to share the information with your Lions Clubs, friends and family. WE SERVE!
